

Military Labour History Working Group

February 2022 Workshop

Our inaugural workshop in November 2021 went successfully. We are running our second workshop on **February 25, 2022**. The workshop meets will be quarterly on Zoom and will further discuss new ideas about and core issues on military labour history that were begun at the 2021 ELHN/WORCK conference in Vienna.

Here are the details:

Time: CST 8-10am; IST 7.30-9.30pm; EET 4-6pm; EST 9-11am; GMT 2-4pm; AEDT 1-3am - note, may be subject to change.

- *Theme:* Visual sources/analyses of military labour (paintings, photographs, drawings, film, cartoons...)
- *Presenter:* There won't be a designated presenter this time, but everyone is welcome to introduce visual sources they work on and share their insights and ideas. If you'd like to present, please email the workshop organisers.

<u>Meeting format:</u> Each participant who is willing to present will have a few minutes to speak on the ways in which they approach visual sources and challenges they have, which will lead us to an open discussion on the topic. Workshop coordinators will serve as facilitators.

Don't forget to bring your own visual source/s to share!
