

## Military Labour History Working Group

### October 2022 Workshop

Our next workshop will be held on Friday **21 October 2022**. The workshop meets have changed in frequency, and will now be held every four months (three times a year) on Zoom. In these workshops, we discuss new ideas about and core issues on military labour history that we began at the 2021 ELHN/WORCK conference in Vienna. We will also discuss potential topics and formats for the next year's meetings.

*Here are the details:*

**Time:** CDT 9-11am; IST (India) 7.30-9.30pm; EEST 5-7pm; EDT 10am-noon; BST 3-5pm; CEST 4-6pm; AEDT 1-3am 22/10 - *note, may be subject to change.*

- *Theme:* Intimacy in Military Labour, broadly defined.
- *Presenter:* We will continue the "Bring Your Own Material" format, where we won't have a designated presenter, but everyone is welcome to introduce how they work with intimacy in their research, which includes histories of war brides, military families, and other domestic/intimate relationships in military labour. As always, any related issues or ideas are welcome. Please join the meeting via the Zoom link below.

**Meeting format:** Each participant who is willing to present will have a few minutes to speak on the designated topic, which will lead us to an open discussion on the topic. Workshop coordinators will serve as facilitators.

**Meeting Venue:** Zoom
